IMPORTANT SAFETY INSTRUCTIONS

READ AND SAVE THESE INSTRUCTIONS

* This Elliptical Total Body is intended for commercial use.
* To ensure your safety and protect the equipment, read all instructions before operating the MATRIX Elliptical Total Body .

When using an electrical product, basic precautions should always be adhered to including the following:

DANGER To reduce the risk of electric shock:

* Always unplug this equipment from the electrical outlet immediately after using and before cleaning.

Your MATRIX Elliptical Total Body is self-generating (requiring no external power source) and must be pedaled to power up the console.

WARNING To reduce the risk of burns, fire, electrical shock or injury to persons that may be associated with using this product:

* An appliance should never be left unattended when plugged in. Unplug from outlet when not in use and before putting or removing parts.
* This product must be used for its intended purpose described in this Owner's Guide. Do not use other attachments that are not recommended by the manufacturer. Attachments may cause injury.
* To prevent electrical shock, never drop or insert any object into any opening.
* Do not remove the side covers. Service should only be done by an authorized service technician.
* Never operate the Elliptical Total Body with the air openings blocked, Keep the air openings clean, free of lint, hair and the like.
* Never operate product if it has been damaged. Return the appliance to a service center for examination and repair, has a damaged cord or plug, not working properly, or is immersed in water.
* Do not carry this appliance by supply cord or use cord as handle.
* Keep the power cord away from heated surfaces.
* Keep hands and loose clothing away from moving parts.
* Close supervision is necessary when Elliptical Total Body is used by or near children, invalids, or disabled persons.
* Do not use outdoors.
* Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
* To disconnect, turn all controls to the off position, then remove plug from outlet
* Connect this Elliptical Total Body to a properly grounded outlet only.

CAUTION

If you experience chest pain, nausea, dizziness or shortness of breath, STOP exercising immediately and consult a physician before continuing.
